

Aloha %first_name%,

As La Pietra celebrates its 60th anniversary of educating young women to lead a life of purpose, we invite you to be part of this special milestone with our unique ["\\$60 for 60" campaign](#). This special opportunity invites parents to give back and support the school that has shaped our students' futures. Different from our annual Plant a Seed initiative, this campaign honors our school's legacy during this significant year.

"La Pietra's beautiful campus was the catalyst to my interest in art and architecture. The teachers and curriculum greatly prepared me for college and, most importantly, instilled in me the courage and confidence to pursue my doctorate degree and a career in a male-dominated field."

This alumna's experience is just one example of how La Pietra's environment and education have a lasting impact on our students, empowering them to achieve their dreams and succeed in their chosen paths. By participating in the "\$60 for 60" campaign, you help continue this legacy, ensuring that current and future students receive the same transformative opportunities.

Let's rally and shine as a community, hit that 100% participation mark, and see how much we can achieve together to support our students!

Ready to join the fun? Let's make this a 60th anniversary to remember!

With enthusiasm and much gratitude,
