& Financial Aid*

Aloha La Pietra 'Ohana,

Since 2014, Megan Meyer has served as the Director of Admission and Financial Aid, guiding prospective and new students and their families with warmth, compassion and personalized attention through their entrance to La Pietra. As she begins a new chapter, she will be missed by students, faculty and staff alike.

"I am grateful to have played a role in the lives of our students and families," Meyer shared. "One of the highlights of my position is helping students discover why La Pietra is a great match for them, a place where they will thrive and realize their authentic purpose. It makes me proud to see our students grow and develop into wonderful people, guided by our caring faculty and school 'ohana!"

During Meyer's time leading the department, financial aid has increased steadily, reflecting the school's on-going commitment to create an inclusive school with greater socioeconomic diversity.

"I am so thankful for the school's generous financial aid and scholarship program," Meyer said. "It is something near and dear to my heart. It is rewarding to help keep La Pietra affordable and accessible and to provide opportunities for students who may not otherwise have been able to attend."

During her eight years with La Pietra, Meyer has also served as the Director of Advancement and Alumnae Relations, an international student adviser, a member of the school's marketing team, and an advisor for student leadership programs such as the Big/Little Sister Program and the Delegate/Student Ambassador Program.

Meyer has loved being on campus while her daughter, Emma ('22), has been a student. She looks forward to being a La Pietra parent of a senior this year and hopefully taking Emma on a few more trips to visit colleges on the mainland.

Please join us in wishing Meyer and her family all the best!
